Proctor Arts Fest and Quilt Show – August 5th

We're having a booth at this community arts festival on Saturday, August 6th. Some members have already contributed some awesome small items to exchange for donations. **If you'd like to help with this feel free to work on things at home!** We'll also be scheduling another Sew In or two.

The guild has been invited to show quilts inside Chalet Bowl during the festival. It's our first real quilt show and we'd love to impress. **If you have something you'd like to submit for display please bring it to our June meeting or at the very latest the July social.** We're looking for minis and other sizes and quilts that can really represent our guild. **Please also include a label, the name of your quilt and a short description.**

Crystal Quilters Quilt Show –September 30th

These lovely ladies have asked us to be the featured guild in their annual quilt show! Think about a special project you'd like to contribute (and perhaps are submitting to the Proctor show). We'll be choosing these quilts around the end of August. **Please also include the name of your quilt and a short description.**

2016 Retreat

Join us October 7th through 9th at the Gwinwood Conference Center in Lacey for our annual sewing retreat! The cost will be $150 for three days of sewing and two meals provided each day. This location is also close to Ruby Street Quiltworks for all your shopping needs. **We already have 16 people signed up. Please turn in your** n**on-refundable deposit of $50 at our June meeting to hold your spot!**

Committees and Elections

We had more sign-ups for committees and also talked about our upcoming election for officers in June. It's never too late to join a committee, check out the descriptions on the website and see what fits you best. **If you'd like to run for an office, contact the nominating committee** – Rox, Cathy H. or Leigh Ann. We welcome anyone who wants to contribute their time and talents!

July Social

We'll be meeting at Trish's house this year for some fabric stamping and potluck fun. Bring yourself, some fabric you'd like to stamp, any stamping supplies you'd like to share and a yummy dish. More details to come.
